

OPEN TENDER NOTICE

Title: Rehabilitation works of Rubego-Nyamiyaga-Musenyi Water Supply system in Nyamagabe District.

Water For People has received funds from USAID to implement the Isoko y'Ubuzima Project. The Isoko y'Ubuzima Project is to be implemented from July 2021 to July 2026 by a consortium led by Water For People to improve WASH service delivery. Other members of the consortium are IRC, Vitens Evides International (VEI), CARE International, and African Evangelistic Enterprise (AEE).

The overall goal of Isoko y'Ubuzima is to improve access to sustainable water and sanitation services which is critical to improved health outcomes, improving the living standards of Rwandan citizens, and achieving Rwanda's development goals.

Water For People invites specialized contractors and consulting firms to submit proposals (technical and financial) for the rehabilitation works and provision of Supervision services for the rehabilitation works of the Rubego-Nyamiyaga-Musenyi Water Supply systems in Nyamagabe district under the Isoko y'Ubuzima Project.

Request for Proposals and BoQ may be obtained from the attachment below.

The bids will be submitted online at rwprocurement@waterforpeople.org with the following subject "Rehabilitation works for Water Supply Systems in Nyamagabe District" no later than 10th May 2024, by 4:59 PM (Kigali Time).

The bids shall remain valid for 120 days starting from the submission deadline indicated. All interested bidders who attended the site visit will obtain complementary information by writing to rwprocurement@waterforpeople.org before the deadline for the submission of bids.

The Schedule of site visits is **30th April 2024**; the departure time is 10 AM @Nyamagabe District HQ.
