

SHAGASHA TEA COMPANY Ltd

Po Box: 77 RUSIZI RWANDA TEL: +250727000394

ANNOUNCEMENT: 03.03.2023

Shagasha Tea Co.Ltd located in Rusizi District is seeking to recruit suitably, dynamic and self-motivated person, to fill the following vacant position.

JOB TITLE: FARMER LIAISON OFFICER

The successful candidate will be responsible for effective control and monitoring of tea plantation activities in order to achieve maximum productivity at minimum cost. He has to report daily to the Field Manager all activities done and the situation of tea plantation.

OVERALL RESPONSIBILITY:

Play an important role in strengthening communication and raising awareness of the tea factory company and its activities on an ongoing basis with smallholder tea producers and local community who provide green leaf to the factory, while identifying gaps in service delivery and emerging smallholder needs from the field

KEY TASKS

- a) Develop production plan for small- scale tea farmers arriving at annual crop budget for SHF.
- b) Responsible for the delivery of business target aligned to KPI – volume and quality and costs.
- c) Develop and maintain relationships with smallholder tea farmers, community based networks and local agencies to inform them of the tea factory company's activities.
- d) Participate in relevant smallholder tea farmers and community networks to facilitate the flow of information to and from the tea factory company. These may include:
- e) Facilitating smallholder tea farmer networks.
- f) Ensure smallholder tea farmers and communities in the catchment area are aware of the range of the activities and services provided by the tea factory company through developing and delivering presentations, organizing forums for information exchange, visiting farmers regularly within the catchment, and disseminating brochures and other related materials.
- g) Identifying gaps in awareness in the catchment area and develop strategies to address identified gaps. This may involve development customized interventions that respond to emerging farmer/community needs.
- h) Communicate clearly with smallholder tea farmers on an individual basis – and with groups of producers at advisory meetings.
- i) Promote the tea factory company and recruit new smallholder tea producers as required
- j) Organize and coordinate regular producer meetings
- k) Implement RA standard requirements to the farmers
