## Expression of Interest – Senior Advisor, Engineering and Infrastructure

The University of Global Health Equity (UGHE), through its Centre for Transformative Learning Technologies (CTLT), is developing OneSpaceAfrica (OSA) in partnership with the Consortium of Medical Schools in Africa (COMS-A). OSA is an AI-powered learning platform for African medical schools. It is designed for use across a whole institution, for the academic rigor medical schools require, and for rollout across a variety of regulatory environments, resource constraints, and access requirements.

OSA Phase 0 runs November 2026 through June 2027. It assesses need and institutional readiness across the COMS-A network, prioritizes use cases, and builds the evaluation and governance frameworks for a Phase 1 decision. A UGHE pilot runs alongside it, starting in late 2026.

Notarized Degree, Updated Curriculum Vitae, Recommendation letter and other certificates in PDF format will be sent to the via e-procurement system: https://ughe.app/eprocurement/index.php Tender #05902/26, all submissions must be received on or before 16th November 2026, 10:00:00 AM Kigali Time.

All documents must be submitted in one PDF document, and it shall remain the responsibility of the Individual to ensure that your Curriculum Vitae should be submitted through system to the above-mentioned link. Kindly ensure that they are signed, in PDF format, and free from any virus or corrupted files.

Services offered shall be reviewed based on completeness and compliance of the Terms of reference with the minimum specifications described above and any other annexes providing details of UGHE requirements.

UGHE is not bound to accept any Proposals, nor award a contract/Purchase Order, nor be responsible for any costs incurred by the bidder while conducting the selection process.

Sincerely,

Shivon Byamukama
Deputy Vice Chancellor for Administrative and Financial Affairs
University of Global Health Equity
