**REQUEST FOR PROPOSALS (RFP): DESIGN AND CONSTRUCTION OF OUTDOOR STUDENT SPORTS FACILITIES**

The University of Global Health Equity (UGHE) mission is to radically change the way health care is delivered around the world by training next generations of global health professionals who strive to deliver more equitable, quality health services for all.

The University of Global Health Equity (UGHE) seeks to enhance student and community recreation infrastructure at its Butaro Campus through the development of a modern outdoor sports and recreation complex. The project will deliver dedicated basketball and volleyball courts, an interim mini-football pitch, and designs for future lawn tennis and full-sized football facilities. These investments will provide safe, accessible, and inclusive spaces that promote physical activity, mental well-being, teamwork, social interaction, and a vibrant campus experience for students, staff, and the surrounding community

The detailed Request for Quotation (RFQ) can be accessed via the University of Global Health Equity's Procurement System at the following link: https://ughe.app/eprocurement/index.phpTender Notice #06018/26

A mandatory site visit is scheduled on the 18th of November 2026 11:00AM at UGHE Butaro Campus. Interested bidders should send qualified personnel/ recognized professional for the site visit.

All proposals from interested and qualified bidders must be submitted electronically through the UGHE Procurement System https://ughe.app/eprocurement/index.php no later than November 27th 2026 10:00AM Kigali time

It is the bidder's responsibility to ensure that their submission is completed by the deadline, and all documents are Signed, Free of viruses and corruption. Failure to adhere to these instructions will result in disqualification.

Sincerely,

UNIVERSITY OF Global Health EQUITY A PARTNERS IN HEALTH INITIATIVE

Shivon Byamukama

Deputy Vice Chancellor for Administrative and Financial Affairs
